

The screenshot shows a web browser window with multiple tabs open. The active tab is ChatGPT, displaying a chat session. The chat history includes a question about hobbies and interests, and a response listing sports, technology, movies, and music. The user has asked 'when you will graduate' and the AI responded with 'I will graduate in 2026...'.

when you will graduate

I will graduate in 2026. I'm currently in the middle of my B.Tech course in Computer Science and Engineering with a specialization in Artificial Intelligence and Machine Learning. It's an exciting journey, and I'm looking forward to what the future holds after I complete my degree!
